RETROUVAILLE

September 23-25, 2016
Billings Hotel & Convention Center
Billings, MT

Does your marriage need a tune up? Or even a major overhaul? Sometimes a marriage can run along fine and then things change. They may need your time and attention.

Sometimes lines of communication break down and they need repair. Sometimes our focus moves away from our marriage and family and needs a little redirection. Sometimes a fair or average marriage is just not enough. Have you ever thought to yourself, "How can I make my marriage better?" If so, Retrouvaille can help. Retrouvaille is a marriage program for couples whose marriage has become off course. It begins with a weekend program that can help get your relationship back on track. It is an effective program that has worked for thousands of couples and it can work for your marriage.

For more information about an upcoming Retrouvaille Weekend, contact the registration team @ 1-800-470-2230 or visit our website: www.retrouvailleMT.org or HelpOurMarriage.com

ADORATION

In the Visit to the Blessed Sacrament we go to keep Jesus company for a few minutes. It could be that on a particular day not many have gone to visit him even though He was expecting them. Therefore He is all the more pleased to see us there. We shall say some of the usual prayers to him as well as making the spiritual Communion. We'll ask him for help, both spiritual and material; we'll tell him what is causing us concern and what we are happy about; we'll tell him that, in spite of our miseries, He can count on us for the re-evangelization of the world and we'll tell him, perhaps, that we want to bring a friend close to him. *What shall we do, you sometimes ask, in the presence of Jesus in the Blessed Sacrament? Love him, praise him, thank him and ask him for things. What does a thirsty person do when he sees a pure clean fountain?* When we leave the church after these moments of prayer, we will have in us greater peace, a determination to help others, an eager longing to receive Holy Communion, because the only way that intimate union with Jesus can be fully realized is in the Eucharist. It will effectively have helped us to increase our presence of God in the course of our work and our daily tasks. It will be easy for us to keep up a relationship of friendship and confidence with him throughout the day.

The first Christians from the moment they began to have churches and to receive the Blessed Sacrament had already started to live this pious custom.

Due to vacations and company this summer, we need lots of help during Adoration. If you are going to be gone, ask a friend to fill in for you. For questions, call Ruthann @ 756-8551.
