## MARRIAGE MATTERS

"The Qualities of a Happy Marriage"

by George Leo Thomas

Happy married couples know that marriage needs renewal, refreshment, and rejuvenation every day of the year, especially following the arrival of children. Happy couples never stop courting each other and never take each other for granted. They remain forever young at heart by having a weekly date night, by spending time together over a quiet dinner, a movie, or an anniversary break away from the kids.

**Take Action: Intentionally spend time together this week to renew and refresh your marriage.**

### ADORATION

#### Angels Constantly Adore

From ancient days, Christian piety has held that wherever the Most Holy Eucharist is reserved, angels are present who constantly adore Jesus in the Blessed Sacrament. Christian art, summarizing popular piety, has often shown representations of angels surrounding the monstrance with their faces covered by their wings, because they consider themselves unworthy to be in his presence. So great is his majesty! Let us ask them to teach us to treat Jesus, really present in the tabernacle, with greater love and at the same time to show him the greatest possible reverence.

As we celebrate the feast days of the Archangels and our Guardian Angels, let us ask them to help us desire Adoration!

**\*\*\*Tuesday Adoration now ends at 10:00 pm**

We need more people for Adoration. Our goal is at least 3 people per hour. The time slot of Tuesdays from 7:00 -8:00 pm needs to be filled. Please call Ruthann at 756-8551 if you can fill this time.
